[Please Register HERE!](#)

LeadingAge Missouri will hold its 29th annual holiday auction. The auction is to benefit the LeadingAge Missouri Political Action Committee (PAC).

A silent auction will be the highlight of the event this year and will consist of items donated by members.

LeadingAge Missouri's PAC is an important tool in LeadingAge Missouri's advocacy efforts as we represent your interests in Jefferson City. Please help us strengthen the PAC by participating in this fun event.

Since these funds are for the benefit of a political action committee, contributions from employees of tax-exempt organizations should be made by personal check or credit card rather than company check. Any checks made for the PAC should be made payable to LeadingAge Missouri PAC.
