These broad topical tracks support all senior living and healthcare settings – you will benefit from meaningful education and experiences regardless of position or the aging services sector.

We invite you to join dedicated colleagues and peers at our new location this year, The Lodge of Four Seasons, Lake Ozark!

Conference Overview

The **2025 Ripples of Impact Conference** offers something for everyone! On Day 1, we will hear from keynote speaker **Fr. Greg Boyle**, an American Catholic priest of the [Jesuit](#) order. He is the founder and director of [Homeboy Industries](#), the world's most significant gang intervention and rehabilitation program, and former pastor of [Dolores Mission Church](#) in Los Angeles. He and his successful programs were profiled on CBS 60 Minutes. He will focus on the impact an idea put to fruition can have on a community. Also on Day 1, industry expert Andy Edeburn will conduct an educational session on thoughtful strategic planning and a workshop that will benefit any size group or organization. In addition, participants will balance the practical with the theoretical by attending educational sessions on Missouri regulatory updates, National policy perspectives, and loads of practical, helpful techniques, tactics, and programs that will advance their senior living and healthcare missions.
